HISTORICAL NOTE

The American Association of University Women can trace its origins in Arizona back to March 1912 when a group of Phoenix women organized the College Club of Phoenix. The College Club was interested in community concerns and education. During the early years the organizations was affiliated nationally with The Federation of Women's Clubs and in 1930 became part of the American Association of University Women. In 1946 Arizona reached Divisional status with six state branches located in Arizona cities.

ACQUISITION - Donated by Marie R. Bonebrake in 1982.

ACCESS - There are no restrictions on access to this collection.

COPYRIGHT

Requests for permission to publish material from this collection should be addressed to the Arizona Historical Society, Tucson, Archives Department.

PROCESSING - The collection was processed and later reviewed by Dave Tackenberg in March 2010.

REORGANIZATION NOTE

Originally this collection was processed, foldered, and boxed however no finding guide was completed. In 2010 a decision was made to reduce the excessive foldering in the collection, reorganize the collection into a chronological format, and to provide a finding guide to better assist researchers. In reorganizing the collection chronologically the original foldering numbers have been included in paraphrases on the folders and in the guide to help orient patrons.
