Object Investigation

My Name: _____

Date: _____

This Object Looks Like:

Sketch the object below!

Things I've Noticed About This Object:

Thoughtfully notice and describe the details of the object—color, shape, size, materials, weight, texture, scent, and so on. What patterns do you see? Do you recognize any materials?

How Does This Object Connect to My Life?

What does this object remind you of? How do you think it was used? Why do you think it's important to keep? You can be literal or abstract—think outside the box!

Asking Questions

Historians always ask questions about the objects and documents that they explore. What kinds of questions does this object make you want to ask? What so you wonder about this piece?
