**Historical Note**

The Coconino Chapter of the Daughters of the American Revolution was the fourth cahpter of the ASDAR confirmed by the National Board of Management on February 9, 1927. After the chapter's creating, the DAR organized the planting of a cutting of the original George Washington Elm from Cambridge, MA commemorating the bicentennial of George Washington's birth in front of Old Main on NAU's campus in 1931. After this project, the chapter became inactive. It remained so, until Mary Lee Birmingham was elected regent in 1993, reactivating the chapter. Since the reactivation, the chapter has doubled in membership,
Daughters of the American Revolution has donated the Alta Anne Smith Collection, which includes 235 photographs, to Cline Library's Special Collections and Archives, and has planted four trees on the grounds of the Coconino County Administration building in memory of past regents. They had also received the Greta Gamble award and Trophy for greatest increase in membership for the year 1995-1996, the Jane Mackey Anderson Award for greatest net gain in membership in 1995 and first place ribbon for Outstanding Press Book and Community Relations, 1993-1994. They are still an active chapter in Northern Arizona and are currently working on several projects in the community.
