GENERAL RULES

√	Requirement:
	My/our topic clearly relates to the annual theme.
	I/we have read the <i>Contest Rule Book</i> .
	I/we have independently researched and created this exhibit in this contest year. No research was reused from previous projects, whether my/our own or research belonging to other students.
	This is an original entry. Each participant has participated in only one entry. I/we did not share work with other students.
	I/we have not used any improper assistance.
	I/we understand that using someone else’s work without proper credit is plagiarism and will result in disqualification.

EXHIBIT RULES

√	Requirement:
	My/our exhibit is an original creation, showing my/our historical research, analysis, and argument in a three-dimensional format.
	My/our exhibit meets the size requirements: <ul style="list-style-type: none"> ○ The exhibit is no larger than 40 inches wide, 30 inches deep, and 6 feet high. OR ○ If the exhibit is circular or rotating, it is no more than 30 inches in diameter.
	My/our exhibit contains 500 or fewer student-composed words. The word count includes all text that I/we have written, such as titles, subtitles, captions, graphs, timelines, media devices, or supplemental materials. The word count for the exhibit appears on my title page.
	My/our historical argument is expressed primarily through the exhibit itself. Any supplementary materials or media devices are used sparingly to support my/our argument, if used at all, but are not the primary tools to deliver the project’s message.
	I understand that my/our own historical analysis is the most important element of the exhibit. Quotes from primary and secondary sources support, but do not overwhelm or distract from, my/our historical argument.
	My/our exhibit does not include takeaway items for judges or others.
	Media devices or electronics (if used in the exhibit) meet the following requirements: <ul style="list-style-type: none"> ○ The media runs for no more than a total of two minutes and does not loop continuously. ○ The media does not include dramatic or narrative student involvement. ○ Judges are able to control the media device with clearly visible and accessible on/off and volume controls. ○ The media device fits within the size and word limits of the exhibit. ○ The media does not link externally (e.g., no QR codes).
