2021-2022 WORKSHOPS

NHDAZ students! Each workshop will have a secret code.

Enter the codes on this form and submit to nhdaz@azhs.gov by December 1, 2021 to receive a special prize at the State contest! ★ **For NHDAZ Students Only**

August 28

2–3:30 p.m.

What is History Info-Session

Learn how history works, and where to get started on your research! We will cover the difference between primary and secondary sources, historical arguments, and how to think about the past. This is a great refresher for all students, but is geared toward students who need some extra help getting started.

October 2

NHDAZ Ask an Archivist Day (In-Person Events)

Students will practice finding primary sources and have an opportunity to ask research questions. This will be an in person session held at an archive near you! Times vary. Check the website for more info. ★

September 4

2–3:30 p.m.

NHDAZ 2022 Theme Workshop

In this workshop, we still discuss the theme for National History Day 2022 and think of how to connect our research interests to it. We will also discuss how to create a topic that is both specific and flexible enough for research. ★

October 16

2–3:30 p.m.

Analyzing Primary Sources Workshop

Students will learn methods for analyzing primary sources. Students will also learn how to analyze non-traditional primary sources, like art and 3D objects.

October 23

2–3:30 p.m.

Project Drafting Info-Session

Students will learn about revising their thesis. Students will also think about how to use their thesis to organize their project, and understand how to weave their argument into their entire project.

September 11

2–3:30 p.m.

Thesis Writing and Secondary Source Workshop

Students will learn how to draft a thesis, which is the core of their historical argument. We will also discuss next steps and how to research with your thesis statement in mind and consider the historical research process and its connection to the scientific method. Students will learn how to find and use secondary sources, the parts of academic writing, and how to find answers in secondary texts.

November 6

2–3:30 p.m.

Historical Context and Student Voice Info-Session

Students will learn what historical context is and how it furthers their argument. Students will also learn the importance of having a unique voice in their project, and how to better include their own expert interpretation.

September 25

2–3:30 p.m.

Navigating the Archives Info-Session

Need help finding online resources? Don't know where to start with your primary source research? Join us for a joint session with Arizona Historical Society librarians! Students will also learn how to navigate archival spaces in anticipation of an in person visit!
