OVERLAND TELEPHONE AND TELEGRAPH COMPANY
COLLECTION (1908-1912)-MSS 89

Donated to the Arizona Historical Society in 2012 by the Arizona Historical Foundation.

The Overland Telephone and Telegraph Company was incorporated as the Arizona Overland Telephone Company in 1908. The first meeting of the incorporators (John Belser, G.O. Scott and A.C. Webb) took place on June 2, 1908. At that time, the Directors of the company were named. They were: John Belser, W.C. Colcord, A.C. Webb, E.J.W. Webb, G.O. Scott and J.H. Thompson. Later, J.C. Crawford was added to the list.

The Articles of Incorporation were filed in the office of the County Recorder of Maricopa County, and with the Stoddard Incorporating Co. (owned by Isaac T. Stoddard, a later President of the Overland Company) in May of 1908. In the Articles it stated that the company was to operate in the Phoenix area and that the purposes of the company were: to make contracts; to construct and maintain telephone and telegraph lines and fuel plants for lighting and heating purposes; to handle rights of ways and franchises for supplying electricity and gas; to transmit messages for toll; to set up a general mercantile business; to handle shares of stock in their own company and in other companies, and others.

The Arizona Overland Telephone Company had, by 1910, become the Overland Tel. & Tel. Co. The Company sold out to Mountain States Tel. & Tel. Co. in June of 1912 for the sum of $432,000. All transactions (transfer and delivery of the Overland Company’s property and the settling of the shares of stock etc) had to be completed by July 20, 1912.

The Presidents of the company were: John Belser (Vice-President, 1909), John W. Foss (1910), Isaac T. Stoddard (1911 and 1912) and E.E. Kirkland (1912). The Secretaries of the Overland Company were: A.C. Webb (1908 through 1910), Frank T. Alkire (1911) and W.B. Matheson (1912).

The Overland Tel. & Tel. Co. Collection contains vouchers and bills to and from various people and businesses, mostly in the Phoenix area, legal papers and documents of the Overland Company including their Articles of Incorporation and By-laws, a purchase ledger and twelve booklets concerning Deeds of Trust to the Valley Bank of Phoenix.

Three Document boxes. 152 items.

SCOPE AND CONTENT

The Overland Tel. & Tel. Co., originally the Arizona Overland Telephone Company, was incorporated in 1908. The Company did business in the Phoenix area until July of 1912 at which time they sold out to Mountain States Tel &Tel Company. The Overland Co. Collection contains: vouchers and bills to and from various people and businesses; legal papers and documents of the
Company, including their Articles of Incorporation and By-laws; a purchase ledger and twelve Deed of Trust booklets.
